	<b>QUESTION</b>	<b>ANSWER</b>
1.	What is the total carpet square footage in each building that will require shampooing?	Innovation Center- 12,888 sq ft Karioits building- 6,089 sq ft. Weiss Center- 9,070 sq ft.
2.	What is the total tile square footage in each building that will require grout cleaning	The total amount between the three buildings would be approximately 1,100 sq ft.
3.	Regarding grout cleaning, would it be a machine scrub or are you looking for something more detailed? Is there a scope for this service?	Machine scrubbing would be the preferred method.
4.	What is the square footage for each location?	Weiss Conference Center: 7,782 sq ft Kariotis Building: 6,552 sq ft Innovation Building: 14,723 sq ft. (Including basement)
5.	How many floors to each building	The Innovation Center has a first floor and basement, and the Kariotis and Weiss buildings have one floor that requires cleaning.
